

# LUCKY JOKER CASH SPINS 10

## LUCKY JOKER 10 CASH SPINS

The WILD sexy temptress is ready to cash in on juicy wins!

This juicy 5x3 retro fruit game features Stacked and SCATTER symbols, WILD substitutions, an Expanding WILD symbol plus a CASH SPIN feature, the lucky temptress will make sure you get generously rewarded in this game.

Our Lucky Joker acts as the WILD symbol appearing on reel 2, 3 and 4 substituting all symbols except the scatter. It gets wilder, she expands making sure your encounter with her is extra sweet and jampacked with rewards.

6 COIN symbols on any position triggers the CASH SPIN feature. When the feature is triggered 3 spins are awarded to get you started, each of the reel positions spinning independently. If 1 or more COIN symbols lands on a feature spin the spins resets to 3 and the cash streak continues. The feature only ends when no more spins remain, or all positions are filled with COIN symbols. Ka-ching – on the COINs you'll find different multipliers, making the game even more thrilling.

The GRAND CASH prize, the highest reward, is won when 15 COIN symbols are collected in the main game or Cash Spin feature. If this happens all COIN wins are paid immediately.

This thrilling game enables winnings on 10 paylines, come play this bold and colourful game and let our seductive Lucky Joker charm big cash wins for you!
